

- No more stress, confusion, guesswork in planning and paying for college.
- Comprehensive online resource for entire “go-to-college” process—from early planning and estimating, to applying for federal and private loans online.
- Includes one of the world’s largest scholarship searches.

Prepare for SAT and ACT. Assess your interests.

Analyze acceptance and award letters. Compare financial aid packages.

Learn how to choose a lender and borrow responsibly.

Search our database with 2.4 million scholarships worth \$15 billion.

Learn how to pay for college.

View detailed information on 4,000 colleges, campus life, academics and costs.

Calculate your savings, loan repayments, and college costs.

Study sample applications and application essays.

The screenshot shows the website's navigation menu with tabs for **Students**, **Parents**, and **Counselors**. Under **Students**, there are sub-tabs: **Preparing**, **Selecting**, **Applying**, **Paying**, **Deciding**, and **Financing**. A **Log On** section includes fields for **Screen Name** and **Password**, with a **Forgot your password?** link. A **Scholarships** section displays a congratulatory message for **Skylar Beck** and a **Scholarship Search** button. A **Register Now!** button is also visible.

CollegeAnswer.com was named *Best of the Web* in the college-planning category by Forbes.com.
